A PARK?

“Parks & Playgrounds are the soul of a city.”

– Marty Rubin

That's right! Ferry County has acquired state funding to begin construction on a large 30+ acre park just outside the City of Republic. The park will be adjacent to the popular Golden Tiger Pathway and is within walking distance to Republic School & downtown Republic. This park aims to provide a variety of amenities; some of which include a large developed lawn, hiking and biking trails, campsites, year-round restrooms, sledding, volleyball, playground equipment, a paved walking & jogging track, and perhaps most unique of all - a pump track!

PUMP TRACKS ARE LOOPING TRAIL SYSTEMS THAT YOU CAN RIDE CONTINUOUSLY WITHOUT PEDALING.

FUN FOR ALL AGES AND RIDING ABILITY

Recreation is an important aspect to community health, resilience, and economic development. A pump track is a type of off-road terrain for cycle sports consisting of a circuit of banked turns and features designed to be ridden completely by riders "pumping" - creating momentum by up and down body movements. In other words, A pump track is a small, looping trail system that you can ride continuously without pedaling. Your speed along the pump track is dependent on your ability to gain momentum by "pumping" the tight terrain transitions of the track. Pump tracks are relatively simple and very affordable to construct. Pump tracks cater to a wide variety of rider skill levels. Bikes, roller skates, skateboards, and more can be ridden on a pump track. Hesse Pump Track will be one of many exciting recreational opportunities in the park.

The photo above depicts a typical paved pump track. Our goal is to create an even more expansive course, complete with sections designed for a wide variety of skill levels.

DEVELOPMENT: RECRUITMENT & RETENTION

The importance of infrastructure cannot be overstated. Parks not only raise community moral, but also promote tourism, and attract investors who wish to build upon the community's foundations. Recreational infrastructure not only brings in capital but keeps it circulating within the community which is just as important as the acquisition.

YOUTH & FAMILY

“You can’t tell a kid that it’s time to exercise; that’s a turn-off...you have to say, “Let’s go to the park and have some fun! Then you get them to do some running, play on the swings, practice on the balance beam, and basically get a full workout disguised as play.”

- Arnold Schwarzenegger

Ferry County is pursuing a unique opportunity to engage youth and families, while providing an environment to spend time together. Hesse Park will be a place for all ages!

This project has already begun. Phase 1 (which includes the development of the grounds, utilities, and pump track) has been partially funded through an RCO grant!

Now is the time to complete the vision. Donations of time, skill, and funds are needed to help finish Phase 1 and begin Phase 2. With your support, Hesse Park will be a premiere destination in our community for families and visitors!

SPONSORSHIP OPPORTUNITIES

Phase 1 Golas

Campfire Rings

What's a campsite without a campfire?

Community Fire Pit

Good for marshmallows... and Bigfoot stories

Park Benches

There's always the ground, but...

Picnic Tables

So nice you can eat off them!

Bike Racks

Certified Bigfoot-proof...

Fencing & Barriers

There's highways and there's bike trails... let's not mix them

Volleyball

We'll set it, you spike it

Pavillion

Rain or shine, you can bbq!

Slippin' Slide

It's like summer sledding!

Walking Paths

Beautifully connecting all park facilities

Mountain Bike Trails & Features

For the adventure seekers, who needs pavement?

Hiking Trails

You can't go off the beaten path, without a beaten path...

Paved Exercise Track - 1/8 Mile

Work off whatever you just ate in the pavillion!

Horseshoes

They're fun, they're cheap, nuff said...

Bigfoot Pyramid

The grand entrance to the park...Welcome!

Maintenance services and equipment

What, the park's just gonna take care of itself?

This section is only a list of ideas for phase 2 of the Hesse Park Project. Any and all ideas are welcome. Please check out our website for more info: www.ferrycountysunrise.com/hessepark

Phase 2 Ideas

Mountaintop Windmill

Powers the entire park! ...not really

Mountaintop Cypher Wheel

A fun attraction for those who get to the top

Playground Equipment

"Will someone please think of the children?!"

Frizbee Golf

For those who play frizbee, and for those golf... this is for everyone else

Multipurpose Sports Court

Basketball, Pickleball, Tennis... or everything all at once

Splash Pad

It's like a playground, but made of water!

Mountaintop Gazebo

The ultimate reward for the brave hiker

Park Lighting

Keep up the fun with or without the sun

RV Hookups

For the glamorous camper

Multipurpose Stage

To be or not to be.. that is the question

Year- Round Restrooms

You're welcome...

Illusion Mining Shack

Everything you know is about to change...

Miniature Golf and/or Park Golf

Balls required...

Cornhole

If you've lost at horseshoes, try this

Landscaping Improvements

We can foresee new flowers & trees

Community Garden

Now don't get any ideas..

Perks

Naming rights to facilities or locations

Park benches, trailheads, public urinals...

Merchandise

Includes our park logo, FCS logo, and a sponsor's name or logo

Development Priority

Your sponsorships will determine what amenities will be developed first

*Additional Perks or Items may be added in the future. Check the webpage for more information.

Each Sponsorship can be dedicated to a single item or part of a larger project. The full cost of each project will be calculated on our website. Ferry County Sunrise will also seek additional grant funding for certain projects.
